

Sunshine Mile Business Association Volunteer Assessment and Commitment Agreement

The Sunshine Mile Business Association will need the assistance of all of its members in contributing to success of the association in some small or large way as we have no paid staff and rely on the volunteer spirit to manage our organization at this stage in its development. Volunteering will also network you with other Sunshine Mile businesses and supporters in a positive and productive way. By designating how you will contribute we can coordinate our efforts to include you, when appropriate.

Below is a list of some of the ways a member can contribute. Please check those that you have interest in and we will be in touch as opportunities arise.

- | | |
|---|---|
| <input type="checkbox"/> Work on a committee
